## Experience

### **Nickelodeon Storyboard Revisionist on *Transformers: EarthSpark***

*(September 2021 - Present)*

- Hooked up backgrounds and props throughout sequences for continuity
- Executed minor and major revisions for sequences using redlines, thumbnails, and verbal notes from directors
- Ensured file naming and structure was consistent for exports to editorial and production tracking
- Assisted board artists and directors with clean up when meeting deadlines

### **Illustration and Children's Book Freelance**

*(October 2016 - Present)*

- Collaborated with clients and self-publishers to design and illustrate commissions and children's books
- Applied notes to illustrations when given
- Worked under a variety of deadlines

### **Disney Television Animation Production Coordinator on *The Ghost and Molly McGee***

*(February 2021 - September 2021)*

- Spotted scripts and animatics for all designs, and prepared handouts for artists
- Maintained impeccable storyboard files for artists, directors, editors, and our archives
- Coordinated meetings over Zoom, and distributed notes from pitches
- Updated detailed leadsheets for our checker

### **Mini - Storyboard Mentorship with Nick Fillippi**

*(October 2020 - December 2020)*

- Worked from a script from *Big Hero 6: The Series* to create a portfolio piece
- Applied notes and drawovers when given
- Learned various storyboarding techniques and skills helpful for TV animation production

### **Disney Television Animation Post-Production Coordinator on *Big Hero 6: The Series***

*(January 2020 - December 2020)*

- Tracked and distributed references to in-house technical directors and overseas studios
- Oversaw, and took notes for, artist handouts and retake reviews
- Managed and distributed episodic credits, ADR, and calendar meetings
- Executed various team-building events during the global pandemic

### **Disney Television Animation Production Coordinator on *DuckTales***

*(April 2019 - January 2020) (December 2020 - February 2021)*

- Responsible for design spotting and maintaining assets through Insight
- Prepared and took notes for various meetings, including pitches and launches
- Shipped episodic materials to overseas studios in a timely manner
